CASE NO. CV04-00049
CASE NO. CV04-00006

DECLARATION OF JAMES L. CANTO
IN SUPPORT OF SIMPAO PLAINTIFFS'
SECOND APPLICATION FOR
ATTORNEYS' FEES AND COSTS

23 I, James L. Canto II, declare as follows:

24 1. I am a partner of the law firm Shimizu Canto & Fisher (formerly Van de veld
Shimizu Canto & Fisher) and co-counsel for class representatives Simpao, Naputi and Cruz. I
25 submit this Declaration in response to the Court's Order of September 13, 2007, in support of
26

1 my firm's, my co-counsels' and Plaintiffs' second application for an award of attorneys' fees
2 for services rendered in the above-captioned matter, and for reimbursement of expenses
3 reasonably incurred in connection with this litigation. This is intended to supplement the
4 declaration previously submitted on June 8, 2007 in support of our application for attorneys'
5 fees filed that day.

6 2. As previously stated, for purposes of this class action, Shimizu Canto & Fisher
7 (formerly Van de veld Shimizu Canto & Fisher) formally associated with Tousley Brain
8 Stephens PLLC, a Seattle, Washington law firm with extensive experience in class action
9 matters and which has both prosecuted and defended numerous multi-million dollar class
10 actions. Jointly with Tousley Brain Stephens, Shimizu Canto & Fisher (formerly Van de veld
11 Shimizu Canto & Fisher) has been involved in the investigation, prosecution, and settlement of
12 this litigation from its inception to the present. As co-lead counsel, we played a key role in the
13 case, performing substantial work on behalf of Plaintiffs and the Class. All of the services
14 performed by our firm were reasonably necessary, and significant examples of that work were
15 outlined in my June 8, 2007 declaration. Since June 8, 2007, we have continued to advance the
16 best interests of the class and our subsequent work includes: Presenting objections at the
17 fairness hearing and uncovering flaws in the proposed settlement to try to improve the position
18 of, and benefits to, the class; and briefing issues regarding the motion for final approval of the
19 proposed settlement agreement.

20 3. All attorneys of this law firm have maintained contemporaneous time records
21 reflecting the time spent on this and other matters. As of October 11, 2007, my firm had
22 devoted a total of 2,603.89 professional hours of services by attorneys toward the prosecution
23 of this case. The names, current hourly rates, and hours incurred by each of the attorneys are
24 attached hereto as Exhibit 1. As shown in Exhibit 1, this firm's lodestar based on its normally-
25 charged rates and as of October 11, 2007 is \$520,778.00. Complete detailed time records for
26 Shimizu Canto & Fisher attorneys are shown in Exhibits 3, 4, & 5.

1 4. As of October 11, 2007, Shimizu Canto & Fisher has spent a total of \$19,222.99
2 in unreimbursed costs. These costs, which were reasonably and necessarily incurred in
3 connection with the prosecution of this litigation, are summarized in Exhibit 2 attached hereto.
4 The costs were incurred solely in connection with this case and are reflected on the books and
5 records of Shimizu Canto & Fisher, which we maintain in the course of business. They are an
6 accurate record of the expenses incurred by this firm in this case.

7 5. Exhibit 3 is a complete detailed time record for the hours worked on this case by
8 attorney James L. Canto II of Shimizu Canto & Fisher, showing the date of activity, the
9 description of activity, and the duration of activity.

10 6. Exhibit 4 is a complete detailed time record for the hours worked on this case
11 by attorney Thomas J. Fisher of Shimizu Canto & Fisher, showing the date of activity, the
12 description of activity, and the duration of activity.

13 7. Exhibit 5 is a complete detailed time record for the hours worked on this case by
14 attorney Curtis C. Van de veld of Shimizu Canto & Fisher, showing the date of activity, the
15 description of activity, and the duration of activity.

16 8. There has been no unnecessary duplication of services for which my firm now
17 seeks compensation. In those instances in which two or more attorneys participated in any
18 matter, this joint participation was necessary because of the complexity of the problems
19 involved and the time constraints that existed.

20 9. Attached hereto as Exhibit 6 is the Declaration of Nancy A. Pacharzina in
21 Support of Simpaø Plaintiffs' Application of Attorneys' Fees and Costs. I received this
22 document through electronic e-mail transmission on October 12, 2007 and I personally
23 recognize the electronically scanned signature of Ms. Nancy A. Pacharzina thereupon to be her
24 own. The original ink-signed version of this document is being mailed to me and will be filed
25 with the District Court of Guam shortly.

26 10. In the above-mentioned Declaration, Ms. Nancy A. Pacharzina avers that her

1 law firm, as associated co-counsel for the Simpao Plaintiffs, has devoted a total of 1,372.90
2 professional hours to the prosecution of this case. The detailed billing records, showing the
3 date of activity, person performing the activity, the billable rate, the duration of the activity, the
4 resulting fee amount, and the description of the activity by each of the attorneys (including
5 partners and associates), paralegals, and law clerks, are attached as part of Exhibit A to Nancy
6 Pacharzina's Declaration. As shown in that Exhibit A, that firm's lodestar based on national
7 rates and as of October 9, 2007 is \$ 699,379.00. Additionally, Ms. Pacharzina reports her firm
8 expended a total of \$27,686.89 in unreimbursed costs, which were reasonably and necessarily
9 incurred in connection with the prosecution of this litigation, and are summarized on the
10 Exhibit B attached to Ms. Pacharzina's Declaration. Detailed records of these costs are also
11 included as part of that Exhibit B.

12 11. The combined total of the lodestar calculations of the law firms Shimizu Canto
13 & Fisher (formerly Van de veld Shimizu Canto & Fisher) and Tousley Brain Stephens PLLC
14 for their joint work in prosecution of this class action is 3,976.79 hours, equating \$1,220,157.00
15 in fees. The combined unreimbursed costs of the two firms totals \$ 46,909.88.

16 12. Shimizu Canto & Fisher (formerly Van de veld Shimizu Canto & Fisher) and
17 Tousley Brain Stephens represented the *Simpao* plaintiffs on a contingent basis. Tousley Brain
18 Stephens advanced all costs incurred on the *Simpao* plaintiffs' behalf. The only funds we will
19 receive for our work on this case are limited to the amounts awarded by the Court.
20

21 I declare under penalty of perjury under the laws of the United States and the Territory
22 of Guam that the foregoing is true and correct.
23

24 Executed this 12th day of October 2007.

1 MARY GRACE SIMPAO, *et al.*,

CASE NO. CV04-00049

2 Plaintiffs,

3 v.

4 GOVERNMENT OF GUAM,

5 Defendant.

7 I, Nancy A. Pacharzina, declare as follows:

8 1. I am a member of Tousley Brain Stephens PLLC, counsel for class
9 representatives Simpao, Naputi, and Cruz. I submit this declaration in response to the request
10 of the Court to review our detailed time and cost records incurred in this matter. This
11 declaration supplements the Declaration of Kim D Stephens In Support of Simpao Plaintiffs'
12 Application for Attorneys' Fees and Costs submitted June 11, 2007.

13 2. Since that time, my co-counsel and I have continued to work for the betterment
14 of the *Simpao* Plaintiffs and the putative class by monitoring implementation of the notice and
15 claims procedure authorized by the Court's preliminary approval of the *Santos* settlement,
16 working with notice experts to review the notice and claims procedure implemented for the
17 *Santos* settlement; briefing issues for the Court relevant to its consideration of the Settling
18 Parties' request for final approval of the *Santos* settlement, and attended the final approval
19 hearing.

20 3. Attached hereto as Exhibit A is an updated summary of the hours the attorneys
21 and paralegals in my firm spent on this hard-fought matter and the associated fees through
22 October 9, 2007, as well as the detailed billing records that form the basis for those costs.

23 4. As of October 9, 2007, our firm's loadstar in this case was \$699,379.00
24 representing over 1300 hours of professional services.

25 5. Both Kim Stephens and I personally reviewed the billing records to ensure there
26 was no unnecessary duplication of effort. We have written off any inefficient time and have

1 not included it in this request. We also excluded fees associated with the legal research and
2 briefing we did related to attorneys' fee issues.

3 6. Attached hereto as Exhibit B is an updated summary of the un-reimbursed costs
4 our firm has expended in this matter, as well as the detailed records of those costs. As of
5 October 9, 2007, those costs total \$27,689.89.

6 7. Both Kim Stephens and I personally reviewed each of these charges to ensure
7 they were reasonable and necessary for our successful prosecution of this action.

8. Our firm represents the *Simpao* Plaintiffs on a contingent basis and has
9 advanced these costs on their behalf. The only compensation we will receive for our legal
10 work on this case and the expenses we incurred on behalf of the *Simpao* Plaintiffs and the
11 putative class will be the amount awarded by the Court.

12 9. We are an 18-lawyer firm with an hourly and contingent fee practice. The
13 demands of this case on our limited resources have periodically precluded us from taking on
14 other cases.

I declare under penalty of perjury under the laws of the United States and the Territory
of Guam that the foregoing is true and correct.

17 Executed this 1 day of October 2007, at Seattle, Washington.
